LINCOLN, NEBRASKA, NOVEMBER 11, 2005...The men of the Alpha Tau Chapter of Beta Theta Pi held a taco feed philanthropy Thursday evening. Each year, the fraternity holds this event to benefit the Lighthouse, an after-school program for Lincoln youth.

This year's philanthropy had an excellent response from university students and staff. Several members from the community also showed their support by attending the event. The event raised more than 2,000 dollars, all of which benefited the Lighthouse youth center.

"Our fraternity enjoys giving back to the community whenever the opportunity is presented," said chapter president Greg Walklin. "Members enjoy hosting this event, and the funds benefit a worthwhile cause."

Aside from superior academic achievement, the chapter prides itself on its high level of community involvement. To learn more about the Alpha Tau chapter, visit beta.unl.edu.
