LINCOLN, NEBRASKA, APRIL 23, 2007...The Alpha Tau Chapter of Beta Theta Pi assisted in this year's University of Nebraska- Lincoln Relay For Life by hosting a survivorship dessert luncheon on Friday afternoon.

The luncheon was organized by Relay For Life survivorship chairman Kenton Moore, a sophomore civil engineering major, and two co-chairs. Approximately fifteen cancer survivors were in attendance at the luncheon which included a selection of four desserts and drink service by the survivorship team. After registering to participate in the Relay, survivors enjoyed time to converse before the programming began. The program included an invocation by Pastor Bill Steinbauer of the University Lutheran Chapel. Following the invocation, dessert was served and survivors were given a rundown of the planned Relay events for the evening. After the luncheon's conclusion the survivors all walked across campus to Cook Pavilion where Relay was held.

This year was the first time that the campus Relay For Life held a survivorship banquet, and after receiving an overwhelmingly positive response the Relay team plans to make the banquet a campus Relay tradition. The Alpha Tau Chapter is proud to be the host such an inspiring banquet for such a great cause.

MORE

Survivorship Team Co-Chair Elicia Dover (middle) with her mother Peggy (left) and Aunt Joanne (right) who are breast cancer survivors.

Survivorship Team Co-Chair Lindsey Eastwood (right) with her mother Rosemary (left) who is a breast cancer survivor.

Survivors prepare to leave the banquet and make their way to the Relay For Life event at Cook Pavilion.
